

# 2023 UNDERWRITING OPPORTUNITIES

Solving Kids' Cancer is very grateful to the sponsors of our Spring Celebration benefit gala. Underwriting allows us to focus our financial resources on our mission to develop more effective treatments for children fighting the most fatal pediatric cancers. The opportunities for your organization to support this memorable evening, and thus the children and families served by SKC, are listed below:

Each opportunity comes with:

- Recognition in the Event Journal
- Acknowledgement during the evening program
- Logo on the program video screens

If interested in an underwriting opportunity, please email Pia at [pia@solvingkidscancer.org](mailto:pia@solvingkidscancer.org).
